Covington Electric Meeting TRAFFIC VIOLATIONS AND CITATIONS

States, bicycling has become very popular among adults. No QUESTIONS longer is biking only enjoyed by young people and boys with Are people on bicycles subject paper routes. All this extra bike traffic, added to the ever- the streets and highways? increasing number of cars on the highways, makes it necessary that everyone be alert at Is it true that young people of all times, and follow all traffic rules very carefully. The purpose of this entire

series of lessons has been to YES.....NO... make it perfectly clear exactly what the traffic rules — All traffic laws must be obeyed are the same rules that the due to there being so much more driver of a motor vehicle must traffic on the highways now than follow, but due to the size ever before and speed of a bicycle, these YES NO.. rules do vary. Of course limit sign saying "35 M.P.H. Limit." he isn't often going t have enough speed up to exceed this. Recently, however since the gain in popularity and sales of 10 speed bikes

some of the older bike enthusiasts have been clocked at speeds exceeding 40 m.p.h., and they have been issued peeding citations just as though they had been operating a car' " Now, many young bicyclists have the idea that they will not be issued traffic violation citations, simply because they are riding bikes. This is not

Years ago, when there weren very many cars on the highway, a young person on a bicycle would simply receive, a warning from a police officer law. This is fine, for those who learned by being given a warning, but in today's hurry on the highways, and the rowded conditions, if a bicyist does not follow the trafexactly as they are intenled, it could cost him his life Over the country bicyclists are now being issued citations for breaking traffic laws. Some

areas give one warning on the irst offense, and then on the next time that law is violated tion. In some large cities, there is no first warning give in the year it expires. Keep at all, the bicyclist is treated ust like the driver of a car n our particular area here this is what bicylcists can expect when they do not comply with all traffic laws. that you remain alert at all times when icycle. Not only will being alert save the possibility of an accident, where you could be

SUMMER MEETING gram will end at noon. The Coffee County Hog Producers Association will have LAWNS

their summer meeting Friday night, August 12, at the Farm Center. Both the member and Center of his wife are invited. Program Chairman Joe Dan-ey, working with County Agent dust with Sevin. Sevin is usley, working with County Agent
Dan Presley, has developed an
excellent program on meat
grades. The dinner meeting
will begin at 7:30 and will be
held in the Community Room.
Dr. Bill Jones, our meats specialist at Auburn, will participate in the program. A loweekend, the worms can do a cipate in the program. A lo-cal hog buying firm is also assisting with the program. weekend, the worms can do a tremendous amount of dam-age in a 48-72 hour period.

FALL GARDENING Right now is an excellent time to plant a lot of vegetables for the fall and winter. For example, you can give you a prettier lawn. The begin planting a fall crop of main reason for doing this, snap beans. Our recommended planting dates for snap beans are August 15-30. What about trying one of these varities: Contender, Green Crop,
Harvester, or Top Crop.
Pole beans can also be

Views From The Pressbox

by, Ricky Mularz Sports Editor

The Women's Softball League wraps up their season this weekend with their annual tournament. The girls play good softball, and everyone should make plans to go out and watch

TIGERS CONTINUE FOOTBALL PRACTICE The Elba Tigers are still practicing every day, but they have moved their practices to the mornings because of the

I watched practices Tuesday morning and was surprised at the size of the line. Elba's linemen appear to average between 185-195 pounds a man, and this is certainly a change from our recent teams. There are about 40 boys out for football, and at the prac-

tice I saw "everyone" took part. If a player wasn't on offense or defense, he was busy returning kicks, or blocking for the kicker. It's good to see everyone getting in on the act! I've talked with some sideline quarterbacks around town, and they are all very optimistic. One loyal fan said the Tigers will breeze through the opening games and will butt heads with Enterprise boasting a 5-0 record.

I don't know about being 5-0, but I agree that if the boys play like they're capable of doing, they can beat any team on their schedule!

KEN SANDERS WINS STATE TITLE Ken Sanders, Ford swept through 6 games undefeated to win the Alabama State Softball Championship last weekend in Montgomery. The team is also ranked No. 1 in the nation, and should represent the state very well in future tournaments. Superior Roofing of Enterprise was in the tourney and finished 17th in the state. Superior's Jerry Owens clubbed nine homers in 5 games, and believe me, he can hit 'em as

for their first setback, and then were eliminated when they lost 27-18. The Enterprise team played good ball, and represented Coffee County well.

By the way, teams from Dothan finished 2nd and third. The Royals (the defending state champs) placed second, while the Southerners finished third.

but were outscored twice. The Roofers lost 11-10 in 8 innings

The Dorsey Trailer softball team will travel to Cullman tomorrow to compete in the "Class A" State Tourney. The Dorsey team surprised everyone by qualifying for state, and maybe they'll pull another surprise and bring back a trophy from Cullman.

IN CLOSING Did you know that in 1928 the Troy State football team lost to Marion Institute 97-0? Oh well, till then .

Doug Hudson holds two bass he caught recently while fishing in the Crenshaw County
Lake. The two lunkers weighed in at 5 and 7 pounds, and were caught on a Bagley worm.
